2010 ACTS GRADUATES

John and Deborah Wolfram spent the past eight months in Manila, Philippines teaching at the Apostolic Center for Theological Studies, known as ACTS. Bro. Wolfram served as Executive Vice President. He was appointed by the Philippines General Board to serve as the president for the upcoming year. ACTS had 82 daytime students and 22 night school students. We are looking forward to another great year!

The Philippine General Conference convened in Davao City this year. Our General Superintendent, David Bernard, and Rev. T.F. Tenney were the main conference speakers. Our good missionary friends Roger and Becky Buckland flew in from Prague to preach the 25th anniversary of the Davao Bible School they taught in years ago. Roger also spoke at the General Conference.

We were also blessed this February to visit with Steve Willoughby, Roger White, and other national leaders from Malaysia and Indonesia. While in Singapore the Wolframs ministered to the Alive Community Church, pastored by Bobby Mathews.

A special visit by our daughter Laurissa made our year complete!
